

WHITEPAPER

MERMAID PEPE \$MPEPE

A Meme Utility Token

1. Introduction

The cryptospace at present is filled with many meme tokens without any substance or value. The Mermaid Pepe team firmly believe that cryptocurrency is the future and we feel that \$MPEPE as a Cryptocurrency with essential utilities serve better purpose in its art form than just a meme project

The project combines both trends of cryptocurrency and Pepe meme as a 2 in 1 Community

This white paper serves as a blueprint, outlining the fundamental principles and unique features of Mermaid Pepe token

Here, we present our tokenomics, distribution plan, and what sets us apart from other projects and cryptocurrencies in the market.

Our ambitions are boundless as we dive head first into this exciting journey.

We extend an invitation to all meme lovers, and believers in the power of blockchain technology to join us and become part of this legendary meme culture.

Together, we can create a Mermaid Pepe Army that surpasses all others—a meme revolution as well as build an ecosystem that will be beneficial to all Cryptocurrency lovers globally
